Subject Fw: ACTION: Reply to ORC's Comments on the Draft EPA Response to Comments (on Adding Waters to Oregon's 2010 303d List)

I asked the Standards folks to take a look at our response to CBD's carbon dioxide criteria question, and Jannine Jennings added/edited below. I think it sounds good. Lori--maybe take a look to make sure we aren't saying more than we should. If it works for everyone, then Jayne--I'm fine with it going right into the comments and replacing what I had there. Thanks.
